

Ryan Sneath

Fire and Paramedic Chief

Winnipeg Paramedic Service

City of Winnipeg

Ryan Sneath has been working in Emergency Services for over 26 years and throughout that time he has had the opportunity to work in various leadership roles within emergency services. He has experience leading diverse teams in both Provincial and Municipal environments and spent two years as the Executive Director for Emergency Response Services with Shared Health in Manitoba. In this role he provided direction and oversight for all emergency medical services and patient transport (both Ground Ambulance and Air Ambulance) in the Province of Manitoba. Ryan Sneath is currently the Fire and Paramedic Chief for the Winnipeg Fire Paramedic Service where he coordinates and leads all aspects of Fire and EMS service delivery.

Ryan uses research, data, and proven best practices to shape modern Fire and EMS systems that support a healthy, vibrant community. He is committed to building integrated emergency services that deliver effective, timely responses and strengthen overall community well-being.

Ryan has a Baccalaureate Degree in Nursing from the University of Manitoba, is a certified Advanced Care Paramedic, and has a Masters of Health Administration from the University of Regina.
