

MANPREET GREWAL**Nurse****Winnipeg Regional Health Authority**

Manpreet Grewal is nurse with extensive experience across multiple areas of the Winnipeg Regional Health Authority. Since beginning her nursing career in 2015, she has worked in medicine, surgery, home care, and dialysis, providing comprehensive care in diverse clinical settings.

Manpreet has also contributed to Northern Health Services, serving as part of Manitoba's Rapid Response Team during the COVID-19 pandemic and providing dialysis care in the Island Lake First Nations communities.

In 2022, she transitioned into occupational health, joining Price industries as the Occupational Health Nurse. In this role, she has implemented and reinforced return to work policies and procedures, managed all non work related medical RTWs, as well as all Worker's Compensation claims, and facilitated safe, suitable, and effective modified duties program to support associates in returning to full capacity.
