BOWLING FOR THE SAFETY OF OUR FUTURE

To recognize and celebrate North American Occupational Safety and Health Week 2014, and to emphasize the importance of workplace safety, particularly for new and young workers, Protec Hearing Inc., Safety at Work, and SAFE Workers of Tomorrow are holding a Bingo Bowl on Thursday, May 8, 2014 at the Polo Park Bowling Centre 157-1485 Portage Avenue, Winnipeg, MB

It will be a fun event, with competition, prizes and food, and any proceeds from the event will be donated to SAFE Workers of Tomorrow to offset the cost of providing the workplace safety and injury prevention message to students in schools throughout Manitoba, particularly into the more remote communities in Manitoba.

SAFE Workers of Tomorrow is a non-profit registered charity devoted to providing young workers with workplace safety awareness throughout Manitoba. Manitoba has the worst injury rate in Canada, and about 1/3 of all reported injuries happen to young workers.

It is important for the safety of our future that we reach as many students as possible every year, and your participation in this fun event can help us reduce the number of workplace injuries affecting the workers of tomorrow.

We would like to invite you to attend, and also would sincerely appreciate it if you would consider either donating a prize for the silent auction, or perhaps you or your organization would be interested in being a sponsor for the event (sponsors will be recognized at the event). The levels of sponsorship are:

5 Pin Sponsor: \$500.00

Strike Sponsor: \$1,000.00

3 Pin Sponsor: \$300.00

Spare Sponsor: \$ 750.00

2 Pin Sponsor: \$200.00

1 Pin Sponsor: \$100.00

For Prize Donations - Please E-mail your commitment to: bowling4safety@mymts.net

Sponsorship Cheques - should be made payable to: "Safe Workers of Tomorrow" and mailed to:
