

Dear Exhibitor,

Greetings from IPAM / CSSE MB Chapter!

The Incident Prevention Association of Manitoba and the Canadian Society of Safety Engineering Manitoba Chapter invites you to participate in the **2015 Safety Saves Conference & Trade Show**

This annual event brings together safety professionals from related industries for two full days of education, professional development and networking. This year's theme is *'Leadership: Who is Carrying Your Safety Torch?'*

By working together *IPAM* and *CSSE MB Chapter* draw on a very diverse group of professionals. With over a dozen presenters and a compelling keynote speaker, this year's conference will be unrivalled in Manitoba's safety community.

We encourage you to participate in this event by exhibiting your company's products and services.

Please complete the application below and submit to [office@ipam-manitoba.com](mailto:office@ipam-manitoba.com).
