SPONSORSHIP OPPORTUNITIES!!

Greetings from IPAM / CSSE MB Chapter!

The Incident Prevention Association of Manitoba and the Canadian Society of Safety Engineering Manitoba Chapter are very excited to be hosting the 2015 Safety Saves Conference & Trade Show. This annual event brings together safety professionals from related industries for two full days of education, professional development and networking. This year's theme is 'Leadership: Who is Carrying your Safety Torch?'

By working together *IPAM* and *CSSE MB Chapter* draw on a very diverse group of professionals. With over a dozen presenters and a compelling keynote speaker, this year's conference will be unrivalled in Manitoba's safety community.

The Safety Saves Conference & Trade Show is an excellent opportunity to show your support and market your brand to the safety community. Please review the sponsorship options below and consider becoming part of this year's conference and trade show.

We would be very excited to hear from you! If you have any feedback, questions or ideas on how you would like to be involved or specialize your sponsorship, please contact us.
